- Ensure that the entire populations, particularly the poor and vulnerable have access to adequate and safe drinking water and sanitation.
- Improve the quality and access to water services in rural and small towns of water supplied
- Ensure sustainability of water infrastructure

2. Budget Sub-Programme Description

This sub-programme deals with the development, construction, general maintenance and management involving the rehabilitation, refurbishment and maintenance of government landed properties. The key functions include:

- To advice and undertake construction, maintenance and repair of public buildings and properties.
- To offer architectural, quantity surveying, structural/civil, electrical, mechanical engineering and estate management services to the public.
- To team up with consultants in the execution of public assignment in pre- and post-contract administration services.
- To maintain central stores, mechanical and carpentry joinery workshops for the storage of construction materials, repair & maintenance of public vehicles, plant and equipment and other public properties.
- Project monitoring and evaluation.
- The programme seeks to provide shelter and office space for individuals as well as government organization respectively.
- Promote the production and use of locally manufactured building materials.
- Promote proper land use map for safe shelter development.
- The programme is delivered through the award of contract and supervised by the department's project implementation team which comprises Professionals in architecture, engineering (civil/electrical) quantity surveyors.
- Provide technical support and consultancy services to Assembly and donor funded public projects,

- Programme and co-ordinate the construction, rehabilitation, maintenance and reconstruction of public buildings and government estates and storm water drainage systems.
- District Assemblies to actively involve communities, especially women, in the design, planning, construction and management of projects related to safe water.
- The Assembly also designs strategies for mobilizing resources for the execution of water and sanitation projects.
- It encourages private sector participation in the provision of safe water supply and sanitation services in rural communities and small towns as well as prescribes standards and guidelines for safe water supply and provision of related services in rural communities and small towns.
- The CWSA prescribe standards and guidelines for safe water supply and provision of related sanitations services in rural communities and small towns and support the District Assemblies to ensure compliance by the suppliers of the services
- The CWSA supports the District Assemblies to ensure compliance by the suppliers of goods and services in line with CWSA guidelines.

The organizational unit involved is the District Works Department of the Assembly. The Department has total staff strength of three $(3N_{2})$ to oversee the effective delivery of the projects and programmes of the sub-programme. Beneficiaries of the programme are mainly public servants and Government institutions. The sub-programme is funded through DACF, DDF budgetary allocation, Internally Generated Funds (IGF) and Donor/External Funding sources. The major challenges confronting the sub-programme are the inadequate staffing and logistics for operations within the sub-programme. Budgetary constraints, limited capacity at District Assembly level for Water & Sanitation delivery, difficult Hydro-geological terrain resulting in low success rate in borehole drilling.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME3: SOCIAL SERVICES DELIVERY

SUB-PROGRAMME 3.3 Social Welfare and Community Development

1. Budget Sub-Programme Objective

- To integrate the vulnerable, Persons with Disability, the excluded and the disadvantaged into the mainstream of society.
- To reduce extreme poverty and enhance the potential of the poor to contribute to National Development.
- To achieve the overall social, economic and cultural re-integration of older persons to enable them to participate in national development in security and dignity.
- To protect and promote the right of children against harm and abuse
- Create an enabling environment to accelerate rural growth and development
- To protect the rights of people particularly women and children from violence and thereby reduce its incidence

2. Budget Sub-Programme Description

The sub-programme performs the functions of supervision of Orphanages and Children Homes, support to extremely poor households, persons with disabilities, shelter for the lost and abused children and destitute. It also seeks to mainstream Older Persons into the national development process.

In order to ensure equitable distribution of national resources and mainstreaming of the extremely poor, more than 3,000 households are benefitting from conditional and unconditional cash transfer under the Livelihood Empowerment against Poverty (LEAP) Programme across the District. Extremely poor Older Persons above 65 years have been enrolled onto the LEAP and are entitled to unconditional cash transfer.

Basically, Community Development promotes social and economic growth in the rural communities through popular participation and initiatives of community members in activities of poverty alleviation, employment creation and illiteracy eradication among the adult and youth population in the rural and urban poor areas of the District. It seeks to provide employable, entrepreneurial development and sustainable skills to the youth through Technical and Vocational Education and Training (TVET) with a view to decrease and curb migration of the youth from rural to urban areas and also enable the youth to achieve and maintain a meaningful life while remaining in their localities.

It also trains community educators to provide technical backstopping to the District Assembly and educates and mobilizes communities for development. Finally, it promotes behavioural and social change through the strategy of communication for development (C4D) especially child and family welfare for effective and efficient child protection, societal and developmental issues through mass meetings, study groups meetings and women's groups meetings.

The sub-programme is undertaken by the Department of Social Welfare and Community Development. The funding sources for the sub-programme include GoG, DACF, DDF and IGF budget allocations. The beneficiaries of the program include urban and rural dwellers in the Assembly. Total staff strength of six will see to the implementation of this sub-programme.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME4: ECONOMIC DEVELOPMENT

SUB-PROGRAMME 4.2 Agricultural Development

1. Budget Sub-Programme Objective

- To increase productivity of priority commodities through the use of improved agricultural inputs and Good Agricultural Practices (GAP).
- To improve seed/planting material/breeding stock for multiplication in the Agricultural locations in District
- To accelerate the development and management of irrigation schemes.
- To reduce post harvest losses and improve storage and distribution systems
- To reduce risks associated with natural disasters and disease/pests outbreaks and ensure availability of adequate food stocks

2. Budget Sub-Programme Description

This sub-programme identifies updates and disseminates technological packages to assist farmers to stay abreast with good industry practices. It also introduces new and improved seed/planting material/breeding stock (high yielding, short duration, disease and pest resistant and nutrient-fortified) to increase productivity.

The main operations under this sub-programme are as follows:

• Facilitate farmer access to improved planting materials, breeding stock and fertilizer

- Expand infrastructure for seed/planting materials and breeding stock production, processing, storage and marketing to facilitate private sector involvement.
- Increase production in targeted products such as poultry, small ruminants and pigs.
- Promote the productivity of roots and tuber crops
- Develop arable lands for rice cultivation
- Develop the skilled manpower to locally fabricate simple tools and parts for machinery
- Promote the use of simple and gender friendly farm tools and equipment by small holder farmers
- Mapping out suitable and potential sites for irrigation development.
- Facilitating construction of new irrigation schemes and rehabilitation of existing ones.
- Supporting the formation and training of farmer groups
- Training extension workers in irrigation and water management techniques
- Capacity building of relevant stakeholders in better harvesting, transportation and storage methods
- Inspecting and certifying all seeds/planting materials and animal products and produce;
- Coordinating pest and disease surveillance activities;

The organizational unit responsible for delivering this sub-programme is the District Department of Agriculture. The beneficiaries of this sub-programme are farmers and other stakeholders. The programme is funded mainly by GoG, DACF, IGF budget allocations and Donor funds. The main challenges faced in the delivery of this sub-programme are high cost of agricultural inputs, dilapidated infrastructure for storage, inadequate warehousing facilities, weak collaboration among key stakeholders and low integration of commodity markets.
