The high expenditures for 2014 and 2015 were due to the 2014 Limited Voters Registration Exercise, the conduct of the 2015 District Level Elections and the procurement of 40,000 additional Biometric Verification Devices.

The Commission was allocated an amount of  $GH \notin 822,897,500$  for the 2016 General Elections. However, the cash requirement for the elections is  $GH \notin 1,139,885,991$  leaving a funding gap of  $GH \notin 316,988,491$ . The 2016 allocated budget representing 150% and 482.5% higher than 2014 and 2015 budgets respectively is due to the Conduct of the 2016 General Elections.

With respect to Compensation of Employees, an amount of GH¢20,193,101was expended in 2014, whilst in 2015, the actual expenditure stood at GH¢19,976,918, a decrease by GH¢216,183 representing 1.08% due to retirement of some staff in the commission. In 2016, an amount of GH¢15,248,621 was allocated for compensation of employees. In the case of Goods and Services, an amount of GH¢304,142,217.86 was expended in 2014. The expenditure in 2015 also stood at GH¢121,290,385 representing a decrease of 150.7% compared to 2014.

The decrease in expenditure was as a result of the absence of major electoral activities in 2015. However, following the Supreme Court decision to cancel the District Level Elections, an additional amount of GH¢90,212,775 was allocated to re-conduct the elections. This resulted to cumulative allocation of GH¢231,480,078 in 2015 in respect to the conduct of the District Level Elections. Out of the GH¢822,897,500 allocation for 2016, 97.21% amounting to GH¢800,000,000 represents Goods and Services, 1.85% amounting to GH¢15,248,621 represents employee compensation and 0.92% amounting to GH¢7,648,879 represents non-financial assets.

## BUDGET SUB- PROGRAMME SUMMARY

#### **PROGRAMME 2: ELECTORAL SERVICE**

# SUB-PROGRAMME 2.2: Compilation of Voters Register and Continuous registration of voters.

#### 1. Budget Sub-Programme Objective

To compile the voters register for the purposes of public elections and referenda.

#### 2. Budget Sub-Programme Description

The compilation of voters register for elections is one of the core functions of the Electoral Commission as per provisions in Articles 42 and 45(a) of the 1992 Constitution of Ghana and CI 91.

The Commission through this sub-programme undertakes continuous voter registration at the district level and periodic registration at the electoral area level. It follows the registration by displaying the Provisional Voters' Register for public inspection and scrutiny.

Continuous registration of voters at the district level caters for eligible voters on daily basis, whilst the periodic at the electoral area level is to capture more eligible voters in election years.

The sub-programme is carried out through the collaboration of the various operational departments of the Commission at the Head Office including Elections, Training, Research and Monitoring, Public Affairs, Information Technology, Finance, Human Resources and Administration in liaison with the Regional Directorates and District Offices.

The Compilation of the Voters' register include a range of operations from sensitization for voters, recruitment and training of temporary staff, procurement of voter registration materials to capturing of voter details on the field, public display of provisional voters registers and authentication of provisional voters register and the printing of the final register.

Funding for the sub-programme is sourced through the Government of Ghana (GOG) and Donor Support.

The beneficiaries of the sub-programme are prospective eligible registered Voters, registered political parties. A total staff of 42,000 will be used to undertake the exhibition.

### **BUDGET SUB-PROGRAMME SUMMARY**

#### **PROGRAMME 2: Electoral Service**

#### **SUB-PROGRAMME 2.4: Voter and Electoral Education**

#### 1. Budget Sub-Programme Objective

To educate the people on the electoral process and its purpose to ensure effective and meaningful participation in all electoral activities

#### 2. Budget Sub-Programme Description

The Electoral Commission has a mandate under the 1992 constitution to educate the people on the electoral process and its purpose. This sub-programme is dedicated to the education and creating awareness of electoral process and its purpose so as to ensure that the public is well informed to allow increased patronage of electoral activities and participation in the democratic process.

The disturbing issues of attempts at multiple registrations, impersonations and in some instances violent disruption of elections and destruction of election materials show a certain lack of awareness of laws governing elections. Uninformed stakeholders in an election have the propensity for apathy, election related violence, lower voter turnouts, lack of confidence in the electoral system and misinformation on electoral activities. Electoral and voter education is necessary to give the public the required knowledge they need to feel included to effectively participate in all electoral activities.

It is against this background that this sub-programme will seek to intensify voter education to create more awareness as well as reduce the prevalence of election malpractices which appears to be on the increase. The voter and electoral education sub-programme will be delivered through educational literature, street announcement, workshops, seminars, Radio and television programmes.

Special attention will be given to gender issues to ensure women, persons with disability and the marginalized feel that they are part of the political arrangement and to ensure their participation in the process.

This programme is funded by the Government of Ghana (GoG). The Beneficiaries of the Sub-Programme are Staff of the Commission, Political parties, Candidates, Electorate, Educational institutions, Youth groups, Media, Women's Groups, Vulnerable groups, CSOs, CBOs and FBOs, Security agencies, Judiciary. The programme will be delivered by

Commission members, supported by Head office directors, regional and deputy regional directors, district officers and other senior officers.
