Forward-Looking Statements

This news release and the investor presentation may include forward-looking statements including opinions, assumptions, estimates and Ghana's assessment of future plans and operations, and, more particularly, statements concerning its future plans. When used in this news release or the investor presentation, the words "will," "anticipate," "believe," "estimate," "expect," "intent," "may," "project," "should," and similar expressions are intended to be among the statements that identify forward-looking statements. The forward-looking statements are founded on the basis of expectations and assumptions made by Ghana. Any number of important factors could cause actual results to differ materially from those in the forward-looking statements. Please refer to Ghana's most recent and publicly available annual and quarterly economic statistics. The forward-looking statements contained in this news release and the investor presentation are made as of the date hereof and thereof and Ghana does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, except as required by applicable law. The forward-looking statements contained herein and in the investor presentation are expressly qualified by this cautionary statement.
