INTRODUCTION

- 1. Section 92 (3) of the Local Government Act 1993, Act 462 envisages the departments of the District Assembly to be integrated into the budget of the District Assembly. The Municipal Composite Budgeting system is therefore to achieve the following amongst others;
 - ♣ To establish an effective integrated budgeting system which supports intended goals, expectation and performance of government at the local level.
 - ♣ To deepen the uniform approach to planning, budgeting and financial reporting and auditing.
 - ♣ To facilitate harmonized development and introduce fiscal prudence in the management of public funds at the MMDA level.
 - ♣ To ensure that public funds follow functions to give meaning to the transfer of staff from the Civil Service to the Local Government Service.
- 2. The Composite Budget of the Mampong Municipal Assembly for the 2016 Fiscal Year has been prepared from the 2016 Annual Action Plan lifted from the 2014-2017 MTDP which is aligned to the Ghana Shared Growth and Department Agenda (GSGDA II, 2014-2017).

BACKGROUND

The Municipal Assembly

3. Mampong Municipality is one of the 8 Municipal Assemblies in the Ashanti Region. The former Sekyere West District was upgraded to Mampong Municipal by Legislative Instrument (L.I.) 1908, of 2007. It is also one of the thirty (30) Administrative Districts in the Ashanti Region of Ghana.

The Municipal capital, Mampong is about 57km from the Regional Capital, Kumasi.

- 31. Table 2 above shows the financial performance of Mampong Municipal Assembly as at 31st December, 2013, 31st December, 2014 and 30th June, 2015 respectively.
- 32. In the year under review, the Assembly budgeted for an amount of GH & 8,451,422.73 and as at 30^{th} June, 2015 the Assembly had received a total amount of GH & 2,977,674.03 representing 39.01% of the total budget which was far better when compared to the 18.00% of total budget in 2014. The breakdown is as follows: GH & 235,050.14 representing 43.98% of IGF budgeted figure of GH & 534,403.00. This performance even though lower compared

to 47.42% of total budget in 2014 was very encouraging and it was greatly attributed to the increase in rates, fees and fines, and licences in the year's Fee Fixing Resolution. DACF which was 30.38% of the Assembly's total budget realized only 21.08% which was better when compared to 8.11% in 2014. This poor performance in DACF and other GoG transfers (especially goods and service and asset transfers) are wholly attributed to partial release of funds and deductions at source. The amount received was inadequate to execute its programmes and projects budgeted for the year under review.

33. Measures are put in place to generate more revenue in 2016 includes the following: Review of economic data, Revaluation of landed properties, Electronic billing, Instituting standing task force, Preparation of realistic Fee Fixing Resolution, Prosecution of tax defaulters and Enforcement of the Assembly's byelaws, Embarking on vigorous revenue education campaign and lastly, organizing in-service training for revenue collectors and Zonal councillors.

CHALLENGES AND CONSTRAINTS

- 34. The Assembly was faced with the following challenges:
- ➤ Inadequate funding on the part of IGF and Government of Ghana transfers tremendously affected the implementation of programmes and projects budgeted for in the year under review.
- ➤ Untimely and partial release of funds on the part of Government of Ghana transfers (especially DACF and Ghana School Feeding Programme) affected most programmes and capital projects which commenced in the year under review. Moreover, late release and approval of DDF funds and projects also delayed in the implementation and commencements of DDF funded projects in the year under review.
- ➤ Inadequate up-to-date data on rateable items within the Municipality, low revenue collectors and familiarisation of most revenue staff, insufficient supervision as well as low or no incentive to revenue staff as a form of motivation were some of the factors attributed to the low Internally Generated Funds the Assembly received in the year under review.
- ➤ Inadequate logistics also hindered most departments and more especially the Works Department in their duties of constant monitoring of capital projects.
- ➤ Inadequate knowledge of Composite Budgeting System on the part of most departments which hitherto were not directly under the Assembly.
