PART A: INTRODUCTION

ESTABLISHMENT OF THE METROPOLIS

Cape Coast Metropolitan Assembly is one of the twenty (20) Administrative Districts with Cape Coast as the Metropolitan Capital. The Assembly was initially created as Municipal by LI 1373 in 1987 and later elevated to Metropolitan Status in February, 2007 by LI 1927 after twenty years in existence as Municipal Assembly.

POPULATION STRUCTURE

The 2010 Population and Housing Census estimated a total population of the Metropolis as 190,180 with the growth rate of 3.1%. The population of the Metropolis will be242,792in 2018 with124,455 females (51.26%) and 118,337 males (48.74%).

METROPOLITAN ECONOMY

Agriculture

About 65% of the population is engaged in agriculture. Commercial farmers are approximately 3.0% and peasants (majority) approximately 62%. The Metropolis has about 9000 hectares of arable land of which 2,500 hectares is under cultivation. The remaining arable land is suitable for the cultivation of the following traditional and non-traditional crops such as Maize, Cassava, Cocoyam, Sweet Potatoes, Plantain, Oil Palm citrus, cashew and mushroom.

Farming thrives in the northern part of the district where it is the main source of livelihood. Major crops cultivated include maize, cassava, cocoyam and yam. Fishing is a major economic activity along the southern coast. The coastal strip along the Gulf of Guinea has important fishing communities which include; Ekon, Bakaano, Abakam etc

Market Centre

The Metropolis has two major market centres namely Kotokuraba market and Abura market. There are other market centres like Efutu market, Kakumdo market and Nstin market. Again, a new structure is being built for Nstin market and other market sheds will soon undergo renovation at Ekon, Kakumdo and Efutu Koforidua.

Road Network

Almost all the existing settlements in the Metropolis are reached by improved condition of tarred roads and feeder roads. The Metropolis has a road network totaling**72km**. The Metropolis compact size of 122sq. km gives it a road density of 0.62 km.

Educational Institutions

The table 1: below shows the statistics of various Educational institutions within the Metropolis.

Category	Public	ublic Private		Enrolme	No. of Teach		
				Boys	Girls	Total	ers
Pre-school	61	59	120	4,154	3,968	8,122	423
Primary	66	47	113	12,268	12,505	24,773	912
Junior High School	62	32	94	5,114	5,466	10,580	843
Senior High School	10	5	15	11,094	8,086	19,181	1,059
TVET	3	5	8	1,230	1,027	2,257	55
Special Schools	2	0	2	304	220	524	38
Tertiary	3	0	3	-	-	-	-

Health

The Metropolis is endowed with a good number of health facilities in its bid to facilitate access to improved health services. The notable ones include; The Central Hospital (Teaching Hospital) at Pedu, The Metropolitan Hospital at Bakaano, University Hospital, and U.C.C. The rest are Ewim Polyclinic at Ewim, Adisadel Hospital, Doctors in Service Hospital, Baiden Ghartey Memorial Hospital (private) at Pedu, Efutu clinic, Christian Eye Clinic at Pedu, PPAG Clinic at Abura.

Water and Sanitation

Water and sanitation has been one of the major challenge of the Metropolis. Past and present governments have tried in so many ways to curb this problem. Presently almost all communities in the Metropolis have access to pipe borne water that flow consistently. Few communities without pipe borne water have bore - holes or hand dug wells.

On sanitation, the Metropolitan Assembly has tried in diverse ways to overcome the menace. Advance preparation have been designed to provide a backup support to the removal of solid waste to compliments the activities of Zoomlion. The Assembly intermittently undertakes fumigation exercises at all container sites and other vantage points. Again, indiscriminate throwing of rubbish and open defecation along the beaches have been minimized.

VISION OF THE METROPOLIS

The vision is to be a leading Metropolis with a well-informed citizenry and a high standard of living.

MISSION OF THE METROPOLIS

The Cape Coast Metropolitan Assembly exist to facilitate the development of the Metropolis by harnessing both human and material resources for the provision of basic infrastructure and social services within the context of good governance.

PART B: STRATEGIC OVERVIEW

CCMA ADOPTED POLICY OBJECTIVES

- Shall exercise political and administrative authority in the District, provide guidance, give direction to, and supervise all other administrative authorities in the Metropolis;
- Shall be responsible for the preparation and approval of Development plan and Budget for the Metropolis by NDPC and Ministry of Finance respectively;
- Formulate and execute plans, programmes and strategies for the effective mobilization of the resources necessary for the overall development of the district;
- Promote and support productive activity and social development in the Metropolis and remove any obstacles to initiative and development;
- Initiate programmes for the development of basic infrastructure and provide municipal works and services in the Metropolis;
- Be responsible for the development, improvement and management of human settlements and the environment in the Metropolis;
- Shall in co-operation with the appropriate national and local security agencies be responsible for the maintenance of security and public safety in the Metropolis;
- > Ensure access to courts in the Metropolis for the promotion of justice;
- Shall guide, encourage and support Sub-Metropolitan local government bodies, public and local communities to perform their rules in the execution of approved plans;
- Initiate and encourage joint participation with other persons or bodies to execute approved development plans;
- Promote or encourage other persons or bodies to undertake projects under approved development plans and monitor the execution of projects and assess the impact on the people's development;
- > Promote efficiency, accountability and integrity in the use of all public funds;
- > To enhance public education on fire safety and offer fire prevention services;
- To promote and facilitate the development of ICT and encourage the adoption of new technologies and best practices in the Metropolis;
- To improve access and quality of healthcare services at both community and facility level, with emphasis on disease prevention and control in the Metropolis;

- To reduce exposure to health risk factors through health education, behaviour change intervention and advocacy;
- > To build and strengthen partnerships with the private sectors to address priority health system needs in the Metropolis;
- To maintain roads, security lighting infrastructure to enhance security and safety on streets in the Metropolis;
- To strengthen institutional capacity to provide quality, effective and efficient services to the public in education, library, youth affairs, children, culture, sports and social welfare;
- To promote and manage programmes for the youth, children and people living with disability;
- To promote and manage clean and organised market by improving the markets infrastructure and licensing process;
- Forster local participation in tourism and the management of tourism activities in the Metropolis;
- > To create and enabling environment for urban agriculture development;
- To enhance dissemination of Agriculture information to the farming communities for improved Agriculture Productivity and food security in the Metropolis;
- To increase tree cover in the Metropolis through plant nursery management, planting and controlling cutting of trees.

GOAL

The goal of the Assembly is to facilitate the improvement in quality of life of the people in the Metropolis through the equitable provision of basic social services and infrastructure and also the promotion of socio-economic development within the context of good governance and in partnership with key stake-holders.

CORE FUNCTIONS

The core functions of the District are outlined below:

- Shall exercise political and administrative authority in the District, provide guidance, give direction to, and supervise all other administrative authorities in the Metropolis;
- Shall be responsible for the preparation and approval of Development plan and annual Budget for the Metropolis and submit copies to NDPC and Ministry of Finance respectively through Regional Co-ordinating Council.

- Formulate and execute plans, programmes and strategies for the effective mobilization of the resources necessary for the overall development of the district;
- Promote and support productive activity and social development in the Metropolis and remove any obstacles to initiative and development;
- Initiate programmes for the development of basic infrastructure and provide municipal works and services in the Metropolis;
- Be responsible for the development, improvement and management of human settlements and the environment in the Metropolis;
- Shall in co-operation with the appropriate national and local security agencies be responsible for the maintenance of security and public safety in the Metropolis;
- > Ensure access to courts in the Metropolis for the promotion of justice;
- Shall guide, encourage and support Sub-Metropolitan local government bodies, public and local communities to perform their roles in the execution of approved plans;
- Initiate and encourage joint participation with other persons or bodies to execute approved development plans;
- Promote or encourage other persons or bodies to undertake projects under approved development plans and monitor the execution of projects and assess the impact on the people's development;
- > Promote efficiency, accountability and integrity in the use of all public funds;

SUMMARY OF KEY ACHIEVEMENTS IN 2017

INTRODUCTION

The Cape Coast Metropolitan Assembly is one of the twenty (20) Administrative Districts created by LI 1927 with Cape Coast as the Metropolitan Capital with the mandate to prepare and implement programmes and projects with the broad objective of *'improving the living standards* of the people through the provision of basic social services and infrastructure as well as creating enabling environment for economic growth''.

To achieve the above stated objective, Cape Coast Metropolitan Assembly in its plan and Budget for 2017, expects a total revenue inflow of **Thirteen Million**, **Five Hundred & Seventy – One Thousand, One Hundred &Sixty - Six Ghana Cedis (GHC13,571,166.00) which was applied as follows;**

Management and Administration

Under this programme, General Administration provided support services to all the departments and units of the Assembly which were mandated to provide the necessary and direct services to the general public. Human resource unit of the General Administration organised both internal and external training for staff and Assembly Members to enhance their skills for effective and efficient service delivery. Also members of staff were appraised for promotions. Other areas of which a lot of operations were undertaken was planning and coordination. Developmental projects and programmes were monitored and evaluated under the value for money agenda of the Assembly. The preparation of 2018 to 2021 MTDP had been 85% complete with general public hearing yet to be done for completion of the plan. The General Administration organized a number of meetings both at the Assembly and Sub Metro District Council. Again, office equipment were procured for the legal department, and the North and South Metro District Councils.

The legal issues confronting the Assembly, the legal department represented the Assembly at court on cases pending before court.

A number of advices were given on legal matters to limit or prevent the Assembly from being taken to court.

Infrastructure Delivery and Management

This programme is made up of Public Works Service, Urban Roads Management and Physical and Spatial Planning Development.

The Public Work Service closely supervised the following projects;

- Completion of 4 no. Boreholes at Brabebadze, Krofofrodo, Nyisin and Kotokruraba
- Construction of 2 No. Police Station at Abura and Nkanfoa
- Construction of 2 no. Community training centres at Siwdu and Kwaprow which are on going
- Maintenance of street lights in the Metropolis

The Urban Roads department also supervised this project;

Construction of Access road and drain to the Artisan village at Mpeasem

Social Services Delivery

The social services programme encompasses Education, Youth and Sports management, Social Welfare and Community Development and Health Services.

On Social Welfare and Community Development, it has organized Child and Family Welfare Policy Programme. The purpose of the program was to raise awareness on the communities on the new child and family welfare policy and hereby initiate discussions for the strengthening of community structures. As a result, communities such as Dehia, Ekon, Brofoyedur, Amanful, Gyegyano and Anafo were visited.

On Health the following had been achieved

- Completion of (2) CHPs Compound at Efutu Mampong and Kwaprow
- Weekly discussions on Cholera at Cape Fm and also taken steps to control and mange 2 confirmed cholera cases
- Conducted household registration on children 0-2 years to track vaccine defaulters
- Oriented Sixteen (16) midwives on HIV option B+ implementation

- · Monitoring of health centres on HIV activities
- Education on HIV at Basic Schools and through FM Stations
- Voluntary counselling and testing on HIV/AIDS was organized of which 211 persons were tested

Economic Development

This programme is made up of Development of Trade and Industries, Agriculture Development and Tourism Development.

On Development of Trade and Industries, the following achievements have been made:

- The Department has registered 50 businesses as at August, 2017
- The Department has trained 25 people in quality assurance.

On Agriculture Development the following achievements have been;

- 33 farmers supplied with subsidized inputs (seed, maize and fertilizer) under the planting for food and job (PF) programme for cultivation of 55 acres for maize and 1 acre of rice
- Maize farmers supplied with 116 litres of chemicals for the control of fall army on a total 244 acres of maize farm.
- 876 farmers trained on various aspects of crop production, crop protection and postharvest management techniques
- 500 farm families trained on planting and utilization of orange fleshed sweet potato for improved nutrition
- 65 farm families trained on backyard farming
- 7 Farm Based Organizations (FBOs) strengthened as a new one established
- 24 agricultural talk shows on improved technologies aired on the radio
- 450 livestock farmers trained on animal husbandry techniques
- Sensitized 250 livestock farmers on climate change and livestock development
- 77 farm families, processors and marketers trained on food handling and safety
- 26 sets of weekly market price information collected and complied

Environmental and Sanitation Management

This programme comprises of Disaster Prevention and Management, Environmental Protection and Waste Management and Natural Resources and Conservation.

On Environmental Protection and Waste Management, substantial achievements have been listed below

- Reduction in improper disposal of waste
- Increased in food vendors' education and certification
- Sensitization of the citizenry on waste source separation
- Clearing of heaps of refuse from some communities in the Metropolis

Under Disaster Prevention and Management, the following are the achievements

- Desilting of Fosu Lagoon at Bakaano
- Pruning of trees along some roads within the Metropolis
- Fire safety training for the various markets within the Metropolis
- · Fire safety audit for hotels, guest houses and financial institutions within the Metropolis
- Public education on major FM stations within the Metropolis
- Inspection on all the fuel stations within the Metropolis
- All zones are being monitored and some hazards identified

Budget and Finance

This programme comprises Finance and Audit Operations, Budgeting and Rating and Revenue Mobilization management.

Under Finance and Audit, the under listed achievements have been made:

- Monthly financial Reports from January July, 2017 have been prepared and submitted to the appropriate office
- Quarterly internal audit reports written and submitted to the appropriate offices
- Quarterly internal audit reports on utilization of District Assemblies Common Fund prepared and submitted

Under Budget and Rating, the under listed achievements have been made:

- Revenue data updated for budgetary purposes
- All memos for payments have been accompanied with warrants
- Two number quarterly meetings were held with revenue collectors to access revenue collection performance vis a vis the target set.

Under Revenue Mobilization and Management, the under listed achievements have been made:

- Revenue Improvement Action Plan has been prepared and in use
- All Revenue collectors have been trained on new technologies for mobilizing revenue.

Cape Coast Metropolitan Assembly

Cape Coast Metropolitan Assembly

PART C: BUDGET PROGRAMME SUMMARY

PROGRAMME 1: Management and Administration

1. Budget Programme Objectives

- ✤ Ensure effective human capital development and management
- Enhance Civil Society Organizations (CSO's) engagement in public policy decision making
- To strengthen policy formulation, planning and monitoring and evaluation processes at all levels
- To provide strategic and effective legal advisory services to the Assembly and all its substructures.

2. Budget Programme Description.

The Management and Administration programme oversees and manages the support functions for the cape coast Metropolitan Assembly. The Central Administration Department is the Secretariat and responsible for coordinating activities of decentralized departments and providing support services. It undertakes this support services through the general administration, human resource management, procurement and store unit, information technology unit, metro guards' unit, two sub metros of the Assembly, planning and co-ordinating unit and the legal. Below are some of the support services its carries out through the above mentioned units;

- General administration is in charge of facilitating the organisation of meetings from the sub-committee level through the executive committee and finally to the general Assembly level for consideration and approval.
- Human resource unit undertakes activities including recruitment of staff into the IGF payroll, developing capacity of staff through the organization of training workshops, compiling staff data for leave, promotional interviews and the termination of staff appointment as when necessary.
- Procurement unit and stores is in charge of facilitating the procurement of goods and services of the Assembly through a transparent and fair competitive tendering for

effective and efficient selection to ensure valve for money in all its resource distribution

- Metro Guards unit ensures compliance with law and order at the Metro level with close collaboration with Ghana Police Service and other enforcement agencies.
- Sub Metros ensures that information from the main Assembly on the payment of local taxes and compliance with bye laws are disseminated to the various communities in the Metropolis as well as carrying their needs and concerns to the Assembly for consideration.
- Planning and Co-ordination conducts needs assessment of all communities within the Metropolis; hold MPCU meetings, stakeholder meetings, public hearings to ensure participatory planning
- Legal exist to ensure that, the Assembly, its department and sub structures are well represented in court and other legal proceedings.

The programme would be funded from the Internally Generated Fund (IGF), District Development Facility (DDF) and District Assembly Common Fund. Under this programme, total staff strength of Eighty-three (83) will be used to implement the various sub – programmes to ensure that, the objectives of the programme are realized. The programme is challenged with unpredictable release of funds, required staff mix and bureaucratic processes in accessing funds. Again, the programme is bedeviled with inadequate staff, office space, logistics and non – involvement of legal department for projects and programmes.

Cape Coast Metropolitan Assembly

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME1: Management and Administration

SUB-PROGRAMME 1.1 General Administration

1. Budget Sub-Programme Objective

- Ensure effective human resource capital development and management
- Ensure Civil Society Organizations engagement in policy decision making

2. Budget Sub-Programme Description

The General Administration sub-programme oversees and manages the support functions for the cape coast Metropolitan Assembly. The sub-programme is mainly responsible for coordinating activities of decentralized departments and providing support services. This programme also include the activities of the Assembly's sub structures mainly the South and North metros, town and zonal councils. The sub-programme provides transportation, records, security, public relations, adequate office equipment and stationery and other supporting logistics.

This will be done through recruitment and promotions, leave and welfare issues, training and development of staff by organizing training courses both internal and external, periodic assessment of staff for promotion for higher responsibilities and efficient and effective management of transport facilities for the Assembly.

The organisational units that collaborate with this sub programme include; legal, planning and coordination, Budget and Rating, finance etc.

The sub programme would be funded from the Internally Generated Fund (IGF), District Development Facility, Urban Development Grant and District Assembly Common Fund. The beneficiaries of this sub programme are the staff of the Assembly, departments under the Assembly and the general public. Under this programme, total staff strength of Seventy – Nine (79) will be used to implement the various sub – programmes to ensure that, the objectives of the sub programme are realised.

The programme is challenged with unpredictable release of funds, required staff mix and bureaucratic processes in accessing funds.

3. Budget Sub-Programme Results Statement

The table indicates the main outputs, its indicators and projections by which the MMDAs measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the MMDA's estimate of future performance.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME1: Management and Administration

SUB-PROGRAMME 1.2 Planning and Coordination

1. Budget Sub-Programme Objective

• To strengthen policy formulation, planning and M&E processes at all levels

2. Budget Sub-Programme Description

The sub –programme exists to prepare Medium Term Development Plan (MTDPs) and Annual Action Plan in line with the Ghana Shared Growth and Development Agenda for implementation by units and departments of the Assembly.

The sub-programme will be delivered by conducting needs assessment of all communities within the Metropolis; hold MPCU meetings, stakeholder meetings, public hearings to ensure participatory planning. Again, it will ensure regular monitoring and evaluation of all projects and programmes of the Assembly.

The Sub –programme does these in collaboration with the Donors / Development Partners. The funding source for implementation of the sub programme is District Assembly Common Fund and Internally generated fund. The inhabitant of Cape Coast and the country at large are the beneficiaries.

The Sub programme will be implemented by two (2) staff strength. The programme is faced with inadequate staff, office space and logistics for projects and programme monitoring.

Cape Coast Metropolitan Assembly

BUDGET PROGRAMME SUMMARY

PROGRAMME 3: SOCIAL SERVICES DELIVERY

1. Budget Programme Objectives

- Enhance inclusive and equitable access to education at all levels
- Enhance the quality of teaching and learning in our educational institutions
- * Enhance the teaching and learning in science, maths and technology at all levels
- * Ensure sustainable, equitable and easily accessible health care services
- * To ensure reduction of new AIDS/STIs infections, especially among the vulnerable
- Establish an effective and efficient social protection system
- Promote eradication of disability- related discrimination

2. Budget Programme Description

Social services delivery programme is one of the key programmes that seeks to provide social infrastructure, social amenities and also see to the delivery of important social services to the general public.

This programme seeks to provide improve and quality health care delivery in the Cape Coast Metropolis through health education and promotion, disease surveillance, provision of equipment, reproductive health, child welfare and health information management. Also, the programme seeks to improve education delivery at the pre- tertiary level in the Cape Coast Metropolis. Again, it seeks to achieve the integration of the excluded, disadvantaged and the vulnerable in mainstream development while ensuring social change within communities.

The programme will ensure the provision of primary health care infrastructure closer to the people in the communities, school enrolment drive campaigns, intensive supervision and monitoring, provision of teaching and learning materials and provision of technical extension services in the social protection sector.

The activities will be undertaken by Ghana Health Service, Ghana Education Service and the Department of Social Welfare and Community Development in collaboration with the Central Administration of the Cape Coast Metropolitan Assembly.

The main sub- programmes are Ghana Health Service, Ghana Education Service and the Department of Social Welfare and Community Development. The funding of the programme will mainly be sourced from the IGF, DACF, and GOG transfers.

The beneficiaries of the programme are basic school pupils, adolescents, pregnant women, women in fertility (WFA) persons with disability and the aged. Staff strength to pursue this programme is One Hundred and Seventy- seven (177).

The key issues and challenges for the programme are late and inadequate release of funds, lack of furnishing and procurement of equipment and non- availability of water and electricity at the constructed CHPs compounds.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME3: Social Services Delivery

SUB-PROGRAMME 3.1 Education, Youth and Sports Management

1. Budget Sub-Programme Objective

- Enhance inclusive and equitable access to education at all levels
- Enhance the quality of teaching and learning in our educational institutions
- Enhance the teaching and learning in science, maths and technology at all levels

2. Budget Sub-Programme Description

This sub-programme seeks to improve education delivery at the pre-tertiary level, formulate and implement policies on education in the Metropolis within the framework of national policies and guidelines, liaise with the appropriate authorities for in-service training of pupil teachers and facilitate the appointment, disciplining, posting and transfer of teachers in pre-schools, basic schools and special schools in the district.

This will be delivered through provision of basic school infrastructure, teaching and learning materials, recruitment of quality teachers, enrolment drive campaigns to increase enrolment and intensive supervision and monitoring of the schools.

The table lists the main Operations and projects to be undertaken by the sub-programme

Operations	Projects
Public education and sensitization on disaster prevention	Desilting of Blocked and choked drains and gutters
Inspection and monitoring of residence, hotel and public places for fire safety	Repairs of Fire hydrants and refill of fire extinguishers
Formation of disaster volunteers and cadet in schools	oninguistoris

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME5: Environmental and Sanitation Management

SUB-PROGRAMME 5.2 Environmental Protection and Waste Management

1. Budget Sub-Programme Objective

- Improve access to Sanitation Facilities
- Improve Investment for Sanitation
- Improve Capacity to adapt to climate change impacts

2. Budget Sub-Programme Description

This sub-programme exists to engage activities and services in waste collection, disposal and promoting clean environment, clean portable water sources, hygienic food premises, clean market and clean neighbourhood thereby ensuring good health and longevity in totality.

It will be delivered through education and sensitization and the distribution of waste bins.

The unit is to collaborate with other agencies like Health, Ghana Education Service, private sector, the media and civil society organisations.

The activities are to be funded by DACF/GOG/Donor funds. The beneficiaries of these activities include citizenry within the Metropolis.

The department will rely on the staff of Forty (40). The major challenges confronting this sub programme is late releases of funds and logistics.

The table blow indicates the main outputs, its indicators and projections by which the MMDAs measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the MMDA's estimate of future performance.

Burial of paupers	Construction of 10 Seater w/c toilet at Antem
	Construction of 6 Seater w/c toilet with urinal at
Provision for national sanitation day	Biodiversity Centre
Maintenance of public toilets and sanitary facilities	Completion of 10 Seater w/c toilet at Ola
Organize refresher training courses on climate change issues	Completion of 10 Seater w/c toilet at Ekon
Provision of fuel to waste management department	Maintenance of waste management vehicles
Organization of school health education and promotion of	Support towards the reengineering of the final disposal
hygiene	site at Nkanfoa
	Construction of gate and security post at the final
Organize medical screening for food vendors	disposal site at Nkanfoa
Sensitization of the general public on environmental and sanitation issues	Collection of solid waste and fumigation of public places
	Completion of 2no. 10 Seater w/c toilet at the Artisan village (Retention)
	Completion of an Abattoir with bio- digester at Amoakofoa
	Procurement of office equipment, machines, furniture and fittings
	Restoration of Fosu lagoon through tree planting, education, hygiene and sanitation activities
	Construction of animal pound

BUDGET PROGRAMME SUMMARY

PROGRAMME 6: BUDGETING AND FINANCE

1. Budget Programme Objectives

- Improve public expenditure management and budgetary control
- Improve local government service & institutionalise district level planning & budgeting
- Boost Revenue Mobilisation, eliminate tax abuses and improve efficiency

1. Budget Programme Description

The budget and finance programme seeks to perform it functions using laid down accounting procedures designed for the public sector and advice management on the effectiveness and adequacy of internal controls and also safeguard the asset of the Assembly. It is also responsible for budget preparation, enforcing budget implementation, providing sound financial planning and guidance on the use of public funds. The programme again ensures government has value for money by undertaking inspection, monitoring and evaluation of developmental projects and programme of the Assembly.

The programme again seeks to ensure effective and efficient mobilization of internally generated funds through revenue mobilization exercises and public education programmes on the need to pay taxes to the Assembly.

The programme will be delivered through the preparation and implementation of composite budget, auditing of all documents before payment, regular monitoring and tracking of budget expenditure on operations and developmental projects, issuance of warrant before payment regular stakeholder meetings, monitoring of revenue collection activities.

The sub-programme collaborates with all decentralized department, units of the Assembly and the entire citizenry of the Metropolis. The funding of the programme is by DACF and internally generated funds.

In all a total of twenty-eight (28) staff will ensure that the programme's objectives have been achieved. The Programme is challenged with unpredictable release of funds from the Central government and inadequate collection of Internally Generated Funds (IGF) making it difficult for effective financial policy.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME6: Budgeting and Finance

SUB-PROGRAMME 6.1 Finance and Audit Operations

1. Budget Sub-Programme Objective

• Improve public expenditure management and budgetary control

2. Budget Sub-Programme Description

This sub-programme seeks to perform it functions using laid down accounting procedures designed for the public sector and advice management on the effectiveness and adequacy of internal controls and also safeguard the asset of the Assembly.

The sub programme will be delivered through auditing of all documents before payment.

The sub-programme collaborates with the Budget and Rating, Revenue and Internal Audit in discharge of their duties.

The major funding of this department is from the internally generated revenue.

The sub-programme is currently made up of eight (8) staff. Some of the challenges facing the office include lack of training for staff and no modern equipment to meet modern technological requirements.

Cape Coast Metropolitan Assembly

The table indicates the main outputs, its indicators and projections by which the MMDAs measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the MMDA's estimate of future performance.

		Past	Years		Projection	5
Main Outputs	Output Indicator	2016	2017	Budget Year 2018	Indicative Year 2019	Indicative Year 2020
Accounting software upgraded	Number of Accounting software upgraded	1	1	1	1	1
Office equipment, furniture and fixture procured	Report on office facilities and supplies procured	2	2	4	4	4
Strategic internal audit plan prepared	Report of the event	-	1	1	1	1

4. Budget Sub-Programme Operations and Projects

The table lists the main Operations and projects to be undertaken by the sub-programme

Operations	Projects
Preparation of strategic internal audit plan	Upgrading of Accounting Software
	Procurement of office equipment, furniture and fixtures

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME6: Budgeting and Finance

SUB-PROGRAMME 6.2 Budgeting and Rating

1. Budget Sub-Programme Objective

- o Improve public expenditure management and budgetary control
- Improve local government service & institutionalise district level planning & budgeting

2. Budget Sub-Programme Description

This sub programme is responsible for budget preparation, enforcing budget implementation, providing sound financial planning and guidance on the use of the public funds. The sub programme also ensures government have value for money by undertaking inspection, monitoring and evaluation of developmental projects and programme of the Assembly.

The sub programme will be achieved through regular monitoring and tracking of budget expenditure on operations and developmental projects and issuance of warrant before payment.

The sub programme is to collaborate with Finance, Audit, planning and co-ordination and works department to undertake these activities.

The sub programme will be funded by DACF and internally generated revenue of the Assembly and the beneficiaries of these activities are the citizenry within the Metropolis. A staff strength of Four (4) would be used by this sub-programme to achieve its stated objectives.

The Programme is challenged with unpredictable release of funds from the Central government and inadequate collection of Internally Generated Funds (IGF) making it difficult for effective financial planning such as cash flow.

The table indicates the main outputs, its indicators and projections by which the MMDAs measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the MMDA's estimate of future performance.

		Past	Years	Projections		
Main Outputs	- Indicator		2017	Budget Year 2018	Indicativ e Year 2019	Indicative Year 2020
