# PART A: STRATEGIC OVERVIEW

### **1. ESTABLISHMENT OF THE DISTRICT**

## 1.1 LOCATION AND SIZE

The Atwima Mponua District is located in the south-western part of the Ashanti Region covering an area of approximately 1,883.2 square kilometers. The District was created out of the former Atwima District by a Legislative Instrument (L.I.) 1785, 2004 by an Act of Parliament on the 18th day of February, 2004. The District capital is Nyinahin.

## **1.2 POPULATION STRUCTURE**

The district has total population of 119,180 consisting 61,090 (51.1%) males and 58,090 (48.7) females. The population is projected to 126,894 consisting 65,097 males and 61,797 females in 2017. The District has 310 communities which are grouped into 11 Area Councils and 1 Town Council. Politically, the District is divided into 39 Electoral Areas, representing the entire Atwima Mponua Constituency.

### 2. VISION

The Assembly's vision is to establish a well-functioning decentralized Local Government System that delivers improved services to the people, promotes people's participation and poverty reduction.

# 3. MISSION

The Assembly exists to see to the improvement in the quality of life of every inhabitant that stays within its area of jurisdiction. This is achievable through the implementation of realistic policies, programmes, projects.

# 4. GOALS

The goal of the Atwima Mponua District Assembly:

- Is to improve upon the standard of living of the people through the provision of basic socio-economic infrastructure in partnership with all stakeholders.
- Is to ensure equitable access to basic social services such as quality health care and education, safe drinking water and sanitation, good roads, security and the promotion of modernized agriculture for accelerated development at all levels.

# 5. CORE FUNCTIONS

The functions of the District are spelt out in part one, section 12 of the Local Governance Act 936 of 2016 and Legislative Instrument 1961 of 2009. In summary the district assembly exercises deliberative, legislative and executive functions. These functions which are broadly aimed at attaining its vision and fulfilling its mission of improving the quality of life of its people are to:

- 1. Be responsible for the overall development of the District.
- 2. Formulate and executive plans, programmes.
- 3. Promote and support productive activity and social development in the District.
- 4. To maintain security, justices and public safety in the District
- 5. Perform such other functions as may be provided under any other enactment

### PART B: STRATEGIC OVERVIEW

1. GSGDA II POLICY OBJECTIVES The GSGDA II contains (6) Policy Objectives that are relevant to the Atwima Mponua District Assembly.

### These include the following:

- Improve fiscal revenue mobilization and management
- Improve institutional coordination for agricultural development
- Increase inclusive and equitable access to education at all levels
- Ensure effective implementation of decentralization policy and programmes
- Promote and improve performance in the public and civil services
- Integrate & institutionalize preparatory district level planning & budgeting

# 6. DISTRICT ECONOMY

The district economy is categorized into three major sectors namely; Agriculture, Manufacturing/Industry and Service/Commerce. These are discussed below.

# a. AGRICULTURE

The District's economy is regarded as agrarian largely due to the sector's contribution to employment generation in the district. The sector has employed about 79.2 percent of the district economically active persons 15 years and older. The key agricultural sub-sectors include crops, livestock, agro-forestry and non-traditional commodities. The farming practices in the District include mono-cropping, mixed cropping and mixed farming. Most of these farmers farm on subsistence level.

b. Manufacturing/Industry

The manufacturing/industry is not well developed. The sector employs only 4.4 percent of the economically active population in the district. Major activities in the district under this sector include mining, metal works, building, lumbering/sawn milling, carpentry, foot works, gari and bakery.

### c. Service/Commerce

The service/Commerce sector of the district economy is the second largest in terms of the number of people employed under the sector. The sector employs about 6.4 percent of the total active population in the district. Major activities under this sector in the district include hospitality, trading, government sectors activities (teaching, health delivery and public service)

# c. MARKET CENTER

# BUDGET SUB-PROGRAMME SUMMARY

# **PROGRAMME1:** Management and Administration

# SUB-PROGRAMME 1.1 General Administration

### 1. Budget Sub-Programme Objective

- To provide administrative support and ensure effective coordination of the activities of the various departments and quasi institutions under the District Assembly.
- To ensure the effective functioning of all the sub-structures to deepen the decentralization process.

### 2. Budget Sub-Programme Description

The General Administration sub-programme looks at the provision of administrative support and effective coordination of the activities of the various departments through the Office of the District Co-ordinating Director. The sub-programme is responsible for all activities and programmes relating to general services, internal controls, procurement/stores, transport, public relation and security.

The core function of the General Administration unit is to facilitate the Assembly's activities with the various departments, quasi institution, and traditional authorities and also mandated to carry out regular maintenance of the Assembly's properties. In addition, the District Security Committee (DISEC) is mandated to initiate and implement programmes and strategies to improve public security in the District.

The Internal Audit Unit is authorized to spearhead the implementation of internal audit control procedures and processes to manage audit risks, detection and prevention of misstatement of facts that could lead to fraud, waste and abuse to the Assembly.

Under the sub-programme the procurement processes of Goods and Services and Assets for the Assembly and the duty of ensuring inventory and stores management is being led by the Procurement/Stores Unit.

The number of staff delivering the sub-programme is fourteen (14) with funding from GoG transfers (DACF, DDF etc.) and the Assembly's Internally Generated Fund (IGF). Beneficiaries of this sub-program are the departments, Regional Coordinating Council, quasi institutions, traditional authorities, non-governmental organizations, civil society organizations and the general public.

The main challenges this sub programme will encounter are inadequate, delay and untimely release of funds, inadequate office space, and non-decentralization of some key departments.

# SUB-PROGRAMME 1.3 Legislative Oversights

### 1. Budget Sub-Programme Objective

To ensure full implementation of the political, administrative and fiscal decentralization reforms.

### 2. Budget Sub-Programme Description

This sub-programme formulates appropriate specific district policies and implement them in the context of national policies. These policies are deliberated upon by its Zonal/Town/Area Councils, Sub-Committees and the Executive Committee. The report of the Executive Committee is eventually considered, approved and passed by the General Assembly into lawful district policies and objectives for the growth and development of the district.

The office of the Honourable Presiding Member spearheads the work of the Legislative Oversight role and ably assisted by the Office of the District Coordinating Director. The main unit of this sub-programme is the Zonal/Area Councils, Office of the Presiding Member and the Office of the District Coordinating Director.

The activities of this sub-programme are financed through the IGF, and DACF funding sources available to the Assembly. The beneficiaries of this sub-programme are the Zonal/Town/Area Councils, local communities and the general public.

Efforts of this sub-programme are however constrained and challenged by the inadequate logistics to the Zonal/Town/Area Councils of the Assembly.

The main objective of this sub-programme is to formulate, plan and implement district health policies within the framework of national health policies and guidelines provided by the Minister of Health.

### 2. Budget Sub-Programme Description

The sub-programme aims at providing facilities, infrastructural services and programmes for effective and efficient promotion of public and environmental health in the District. Public Health aims at delivering public, family and child health services directed at preventing diseases and promoting the health of all people living in the District. It also seeks to coordinate the works of health centers or posts or community based health workers and facilitates collection and analysis of data on health. In addition, emphasis will be placed on supporting high-risk groups to prevent the spread of HIV/AIDS, TB, and Malaria among others.

The Environmental Health aims at facilitating improved environmental sanitation and good hygiene practices in both rural and urban dwellers in the District. It provides, supervises and monitors the execution of environmental health and environmental sanitation services. It also aims at empowering individuals and communities to analyse their sanitation conditions and take collective action to change their environmental sanitation situation. The sub-program operations include;

• Advising the Assembly on all matters relating to health including diseases control and prevention.

- Undertaking health education and family immunization and nutrition programmes.
- Preventing new transmission, including awareness creation, direct service delivery and supporting high risk groups.
- Providing support for people living with HIV/AIDS (PLWHA) and their families.
- Inspection of meat, fish, vegetables and other foodstuff and liquids of whatever kind or nature, whether intended for sale or not and to seize, destroy and otherwise deal with such foodstuff or liquids as are unfit for human consumption.
- Supervise and control slaughter houses and pounds and all such matters and things as may be necessary for the convenient use of such slaughter houses.
- Advise and encourage the keeping of animals in the district including horses, cattle, sheep and goats, domestic pets and poultry.

The sub-programme would be delivered through the offices of the District Health Directorate and the Environmental Health Unit with a total staff strength of four (4). Funding for the delivery of this sub-programme would come from GoG transfers, Donor Support and Internally Generated Funds. The beneficiaries of the subprogram are the various health facilities and entire citizenry in the district.

Challenges militating against the success of this sub-programme include delay and untimely release of funds from central government, inadequate staffing levels, inadequate office space, inadequate equipment and logistics to health facilities.
