PART A: STRATEGIC OVERVIEW

1. ESTABLISHMENT OF THE DISTRICT

1.1 Location and Size

The Upper Denkyira West District is located in the central region of Ghana.

The UDWDA was established by LI 1848 of November, 2007.

1.2 Population Structure

The 2010 PHC puts the district population at 60,054 and the projected population as at 2019 is 79,341 with growth rate of 3.1%

2. VISION

The Assembly's vision is to have a well-developed District with the basic socio-economic infrastructure and services available to the people.

3. MISSION

The Upper Denkyira West District Assembly exists to improve the quality of life of the people in the District through the formulation and the implementation of sustainable programs and projects by efficiently and effectively applying all available resources.

4. GOALS

The goal of the Upper Denkyira West District Assembly is to alleviate poverty and improve the quality of life of people in the district through the efficient implementation of programs and projects.

5. CORE FUNCTIONS

The core functions of the Upper Denkyira West District Assembly are outlined below:

- Be responsible for the overall development of the district.
- Promote local economic development.
- Formulate and execute plans, programmes and strategies for the effective mobilisation of the resources necessary for the overall development of the district.

Upper Denkyira West District Assembly

- Promote and support productive activity and social development in the district and remove any obstacles to initiative and development;
- Initiate programmes for the development of basic infrastructure and provide municipal works and services in the district;
- Be responsible for the development, improvement and management of human settlements and the environment in the district;
- In co-operation with the appropriate national and local security agencies, be responsible for the maintenance of security and public safety in the district
- Guide, encourage and support sub-district local structures, public agencies and local communities to perform their functions in the execution of approved development plans;

6. DISTRICT ECONOMY

a. AGRICULTURE

The main occupation of the people is agriculture as about 82.9 percent of the households engage in some form of Agricultural activity and employs 71.1 percent of the employable population in the District.

b. MARKET CENTER

The weekly market at Diaso in the district is a major marketing center where commodities are traded.

c. ROAD NETWORK

The district has a total length of 177km of feeder and highway roads. There are about 47 feeder roads with a total length of 135km. There is still the need for construction of additional feeder roads to improve the internal linkages between settlements to reduce travel time and cost.

d. EDUCATION

There are 196 basic schools in the District comprising 11 Nurseries, 52 Kindergartens, 52 Primary schools and 44 Junior High Schools in both public and private sectors. The District has two Second cycle institutions that is, the Diaso Senior High and the Ayanfuri Senior High Schools. A major challenge is inadequate trained teachers and this will be partly solved by sponsoring quite a number of teacher trainees and bonding them teach in the district.

e. HEALTH

There are Twenty (20) health care facilities in the district. Out of this, four (4) are health centers, Four (4) are clinics and twelve (12) are CHPS Centers. CHPS scale up in the District has been considered as the strategy capable of increasing access to basic health services in the District.

f. WATER AND SANITATION

The Upper Denkyira West District has water coverage of 87%. Boreholes dominate the available water facilities representing 42.3%

g. ENERGY

The District can be said to be fairly served with regards to connection of communities to the National Grid. About 80% of the communities have been provided with electricity for domestic and commercial activities. The major challenge with regards to energy is the extension of electricity to the newly developed sites.

7. KEY ACHIEVEMENTS IN 2019

The following key achievements have been chalked in 2019:

- 1no. 3unit classroom block with ancillary facilities at Bethlehem constructed.
- 1no. meat shop at Dominase Market constructed.

PROGRAMME 2: INFRASTRUCTURE DELIVERY AND MANAGEMENT

1. Budget Programme Description

Infrastructure Delivery and Management program ensures the provision of required infrastructure necessary to boost/propel growth of the local economy in a well-planned and coordinated manner.

The organisational units involved in ensuring that the Infrastructure Delivery and Management Program is carried out are Feeder roads, Public works, water and housing and Town and Country planning Units

The main sub programs are Physical and Spatial Planning and Infrastructure Development with total staff strength of Five (5) people.

The program will be funded with the District Development Facility, District Assemblies' Common Fund, Internally Generated Fund and donor funds with beneficiaries of this program being the General public within the Upper Denkyira West District.

A total amount of GH¢ 1,853,683.95 has been allocated for this program.

The major challenges to implementing this program are inadequate financial resources and low staff strength.

PROGRAMME2: Infrastructure Delivery and Management

SUB-PROGRAMME 2.1 Physical and Spatial Planning

1. Budget Sub-Programme Objectives

- Streamline spatial and land use planning system.
- Improve decentralised planning.

2. Budget Sub-Programme Description

- This sub program seeks to ensure that infrastructure development/settlement is done in a well-planned and coordinated manner.
- This will be done by collaborating with traditional rulers to prepare layouts and update existing ones. Various forms of educational and sensitisation programs will be undertaken in major communities in the district. Streets and properties will be named and addressed respectively.
- The Town and Country Planning Unit with staff strength of Two (2) people is responsible for implementing this sub program to benefit the general public using Internally Generated Funds, District Assemblies' Common Fund and District Development Facility.
- Low staff strength, insufficient logistics and low level of education among the public on spatial development are the major challenges to implementing this sub program.

PROGRAMME 4: ECONOMIC DEVELOPMENT

1. Budget Programme Description

Economic Development Program will improve the local economy by putting in place mechanisms and creating avenues for people to acquire skills to gain meaningful employment. This will be done by entering into PPP arrangements to construct a fuel station, facilitating the establishment of a factory under the 'one district-one factory' Policy and supporting the District Chamber of Agriculture, Commerce and Technology to roll out innovative agricultural programs. Agric. Extension services in crop and animal treatment will be provided to farmers to improve Agric. Productivity.

This program will be delivered by the Department of Agriculture and Trade and Industry.

The main sub programs are Trade, Tourism and Industrial Development and Agricultural Development with staff strength of Seventeen (17) people.

The program will be funded with the District Assemblies' Common Fund, Internally Generated Fund, Canadian International Development Agency and GOG funds with beneficiaries of this program being farmers and small-scale industries within the Upper Denkyira West District.

A total amount of GH¢ 1,552,443.36 has been allocated for this program.

The major challenges to implementing this program are inadequate and untimely release of funds, low staff strength and non-existence of a Business Advisory Centre.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME4: ECONOMIC DEVELOPMENT

SUB-PROGRAMME 4.1 Trade, Tourism and Industrial development

1. Budget Sub-Programme Objective

• Enhance business enabling environment.

2. Budget Sub-Programme Description

- Under this sub program, Local Economic Development Committees will be constituted to engage and partner the private sector in establishing small scale industries. The District Assembly will enter into a PPP arrangement with GOIL to establish a fuel station at Diaso, the district capital. Specifically, the Assembly will contribute by acquiring land for such purpose. More so, land will be acquired for the establishment of a factory under the 'one district-one factory' policy of the Central Government.
- The Department of Trade and Industry in collaboration with the Planning Unit with staff strength of Two (2) people will be responsible for implementing this sub program to benefit the unemployed using Internally Generated Funds and District Assemblies' Common Fund.
- The sub program is challenged with inadequate funds, low expertise and low staff strength.

PROGRAMME5: ENVIRONMENTAL AND SANITATION MANAGEMENT

SUB-PROGRAMME 5.1 Natural Resource Conservation and Management

1. Budget Sub-Programme Objectives

• Strengthen resilience towards climate related hazards

2. Budget Sub-Programme Description

- Under this program, climate change will be managed through the reclamation and planting of trees at degraded mining sites.
- The Natural Resource Conservation Unit with staff strength of Seven (7) people will be responsible for implementing this sub program to benefit the general public using Internally Generated Funds and District Assemblies' Common Fund.
- The sub program is challenged with inadequate funds, inadequate logistics and low staff strength.

3. Budget Sub-Programme Results Statement

The table indicates the main outputs, its indicators and projections by which the UDWDA measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the UDWDA's estimate of future performance.
