PART A: STRATEGIC OVERVIEW

1. ESTABLISHMENT OF THE DISTRICT

1.1 Location and Size

Nanton District was carved out of the then Savelugu/Nanton Municipal Assembly and was among thirty-eight (38) Districts created in 2018 in the country. It was created by the LI 2343 and was officially inaugurated on 15th March, 2018.

Except for the settlements with which it shares boundaries with Sanarigu Municipal and Tamale Metropolitan Assemblies, where there are some linear settlements, the Nanton District generally, has nucleated type of settlement, where villages or houses are said to be clustered.

The District Assembly has 20 elected members and 7 Government appointees; adding up to 27 members. The District Chief Executive and one Member of Parliament are also members but have no voting rights. There are two committees that help in the decision-making process within the district namely the executive committee and public relations and complaints committee. Sub-committees include the Finance and Administration, Works, Development planning sub-committee, Social Services, Justice and security sub-committee among others.

POPULATION STRUCTURE

The District is one of the twenty-eight administrative Assemblies in the Northern Region of Ghana with Nanton as its capital. It has 67 communities, 2 Area Councils, 118 Unit Committees, 20 Electoral Areas and 1 Parliamentary constituency. The District has a total population of about 57,055 (2010 PHC) with a growth rate of 2.7%.

2. VISION

The vision of the District is to create a society where there is an improved socioeconomic condition through quality education, healthy lifestyles, food security and income on a sustainable basis.

3. MISSION

The Nanton District Assembly exist to improve upon the quality of life of the people through harnessing human and material resources and effective coordination for the provision of basic infrastructure, economic and social services to the people.

4. GOALS

The goal of Nanton District Assembly is to expand and strengthen socio-economic development which will contribute to job creation; reduce poverty; sustain the environment; and enhance participatory development at all levels.

5. CORE FUNCTIONS

The core functions of the Nanton District Assembly like any other Assembly in Ghana, are to:

- Ensure the preparation and submission, through RCC, of;
 (i) Development plans of the district to the NDPC for approval, and
 (ii) The budget of the district related to the approved plans to the Minister of Finance for approval;
- Formulate and execute plans, programmes and strategies for the effective mobilization of the resources necessary for the overall development of the district;
- Promote and support productive activity and social development in the district and remove any obstacles to initiative and development;
- Initiate programmes for the development of basic infrastructure and provide municipal works and services
- The development, improvement and management of human settlements and the environment in the district;
- Co-operate with the appropriate national and local security agencies, for the maintenance of security and public safety in the district;
- Ensure ready access to Courts in the district for the promotion of justice;
- Initiate, sponsor or carry out studies that are necessary for the performance of a function conferred by this Act or by any other enactment
- Perform any other functions provided for under any other legislation.
- Take the steps and measures that are necessary and expedient to
 - i. execute approved development plans and budgets for the district;
 - guide, encourage and support sub-district local government bodies, public agencies and local communities to discharge their roles in the execution of approved development plans;
 - iii. initiate and encourage joint participation with any other persons or bodies to execute approved development plans;
 - iv. promote or encourage other persons or bodies to undertake projects under approved development plans; and
 - monitor the execution of projects under approved development plans and assess and evaluate their impact on the people's development, the local, district and national economy.

- Coordinate, integrate and harmonize the execution of programmes and projects under approved development plans for the district, any and other development programmes promoted or carried out by Ministries, departments, public corporations and any other statutory bodies and nongovernmental organizations in the district.
- Finally, a District Assembly in the performance of its functions, is subject to the general guidance and direction of the President on matters of national policy, and shall act in co-operation with the appropriate public corporation, statutory body or non-governmental organizations.

6. DISTRICT ECONOMY

a. AGRICULTURE

The main stay of the District is Agriculture. 68% of its active labour force is into farming at subsistence levels. Crops produced include: Maize, Rice, Soya beans, Guinea corn, and yams among others

They also rear animals and keep poultry (Goats, Sheep, Donkeys, Cattle, Fowls, Guinea fowls). They also grow vegetables like: tomatoes, pepper, okro, spinach among others.

b. MARKET CENTER

The weekly market at Tampion and Nanton in the district are the major marketing centers where commodities are sold and bought. Farm produce are brought here on market days by people from surrounding villages and traders from Tamale, Savelugu etc. in turn buy and convey them to either Tamale or Savelugu markets to sell. Thus, on market days vehicles come in from other towns which are the major source of revenue for the district. Market tolls are also collected from these markets. However, the infrastructure at the two markets is poor making it difficult for toll collection. There is the need therefore, for the construction of more lockable market stores and stalls to improve the condition of the markets for effective revenue collection.

ROAD NETWORK

The state of roads in the District is poor. The District is served by two major roads with one linking Nanton to the regional capital Tamale while another one links the District to Savelugu. Majority of the communities are interconnected by feeder roads whose conditions are, generally, poor. In rainy season, these roads become un-motorable. This makes it difficult for farmers to convey food stuffs from their farms to market centers resulting in losses most especially with perishable vegetables and food stuffs.

EDUCATION

Administratively the District is zoned into three educational circuits, namely; Nanton, Tampion and Zoggu circuits. Also, the District has ten (10) JHS, thirty-one (31) Primary Schools and no Senior High School.

Student Teacher Ratio:

The Nanton district has student teacher ratios of 35:1 for KG, 35:1 for Primary and 45:1 for JHS. Net Enrolment Rate is also 115.3% for KG; 98.5% FOR Primary and 58.5% for JHS with an average Gender parity Index of 0.81% for both Primary and JHS. The average completion rate for JHS, Primary and KG is 82.1% for the Nanton District.

c. HEALTH

The District has four (4) Health Centres at Nanton, Tampion, Zoggu and Janjori Kukuo. Six (6) CHPs compounds at: Fazihini, Nanton Kurugu, Nyolugu, Nagdigu, Sandu and Guntinli.

TOP TEN (10) OPD REPORTED DISEASES

Malaria, Upper Respiratory Tract Infection, Diarreahoea, Joint Pains, Anaemia, Pneumonia, Acute Urinary Tract Infection, Hypertension, Typhoid Fever and Skin Diseases

ENVIRONMENT

The District has less tree cover opening it up to harsh climatic conditions: thus, heavy rainfall washing up the top soils. Harsh conditions of harmattan also lead to high incidence of bush burning. Tree felling for fuel wood is at an alarming rate in the District. All these pose problems to the environment and thus, hamper water availability for domestic, agricultural and other needs in the district.

d. WATER AND SANITATION

Like all other Districts in the Northern Region, Nanton is faced with numerous challenges in the area of sanitation. In line with this the Assembly has included in its Plan and Budget activities geared towards improved sanitation in the District. The District has been supported with two refuse trucks and five tricycles. The District Assembly has also assigned a 1No Yamaha AG 100 motor bike benefited by the District, from the RING project to the District Environmental Officer to monitor sanitation activities in the District.

e. ENERGY

Almost all the larger communities in the Nanton district are connected to the national grid.

7. KEY ACHIEVEMENTS IN 2020

In the 2020 fiscal year, the Nanton district assembly rehabilitated an office building for EC, NCCE, and BAC; rehabilitated an office for national ambulance service; constructed 1 No. 6-unit market stores 1 each at Nanton and Tampion markets; completed remodeling of Janjori Kukuo Health Center; constructed and currently furnishing a District Health Directorate at Nanton and rehabilitated a Dam at Zieng.

10. POLICY OUTCOME INDICATORS AND TARGETS

PART B: BUDGET PROGRAMME/SUB-PROGRAMME SUMMARY

PROGRAMME 1: MANAGEMENT AND ADMINISTRATION

- 1. Budget Programme Objectives
 - To provide support services, effective and efficient general administration and organization of the District Assembly.
 - To insure sound financial management of the Assembly's resources.
 - To coordinate the development planning and budgeting functions of the Assembly.
 - To provide human resource planning and development of the District Assembly.

2. Budget Programme Description

The program seeks to perform the core functions of ensuring good governance and balanced development of the District through the formulation and implementation of policies, planning, coordination, monitoring and evaluation in the area of local governance.

The Program is being implemented and delivered through the offices of the Central Administration and Finance Departments. The various units involved in the delivery of the program include; General Administration Unit, Budget Unit, Planning Unit, Accounts Office, Procurement Unit, Human Resource, Internal Audit and Records Unit.

A total staff strength of twenty-four (24) is involved in the delivery of the programme. They include Administrators, Budget Analysts, Accountants, Planning Officers, Revenue Officers, and other support staff (i.e. Executive officers, and drivers). The Program is being funded through the Assembly's Composite Budget with Internally Generated Fund (IGF) and Government of Ghana transfer such as the District Assemblies' Common Fund and District Development Facility.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME1: Management and Administration

SUB-PROGRAMME 1.1 General Administration

- 1. Budget Sub-Programme Objective
 - To provide administrative support and ensure effective coordination of the activities of the various departments and quasi institutions under the District Assembly.
 - To ensure the effective functioning of all the sub-structures to deepen the decentralization process.
- 2. Budget Sub-Programme Description

The General Administration sub-programme looks at the provision of administrative support and effective coordination of the activities of the various departments through the Office of the District Co-ordinating Director. The sub-programme is responsible for all activities and programmes relating to general services, internal controls, procurement/stores, transport, public relation and security.

The core function of the General Administration unit is to facilitate the Assembly's activities with the various departments, quasi institution, and traditional authorities and also mandated to carry out regular maintenance of the Assembly's properties. In addition, the District Security Committee (DISEC) is mandated to initiate and implement programmes and strategies to improve public security in the District.

The Internal Audit Unit is authorized to spearhead the implementation of internal audit control procedures and processes to manage audit risks, detection and prevention of misstatement of facts that could lead to fraud, waste and abuse to the Assembly.

Under the sub-programme the procurement processes of Goods and Services and Assets for the Assembly and the duty of ensuring inventory and stores management is being led by the Procurement/Stores Unit. The number of staff delivering the sub-programme is fourteen (14) with funding from GoG transfers (DACF, DDF etc.) and the Assembly's Internally Generated Fund (IGF). Beneficiaries of this sub-program are the departments, Regional Coordinating Council, quasi institutions, traditional authorities, non-governmental organizations, civil society organizations and the general public.

The main challenges this sub programme will encounter are inadequate, delay and untimely release of funds, inadequate office space, and non-decentralization of some key departments.

3. Budget Sub-Programme Results Statement

The table indicates the main outputs, its indicators and projections by which the District Assembly measure the performance of this sub-programme. The past data indicates actual performance whilst the projections are the Assembly's estimate of future performance.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME1: Management and Administration

SUB-PROGRAMME 1.2 Finance and Revenue Mobilization

- 1. Budget Sub-Programme Objective
 - To insure sound financial management of the Assembly's resources.
 - To ensure timely disbursement of funds and submission of financial reports.
 - To ensure the mobilization of all available revenues for effective service delivery.
- 2. Budget Sub-Programme Description

This sub-programme provides effective and efficient management of financial resources and timely reporting of the Assembly finances as contained in the Public Financial Management Act, 2016 (Act 921) and Financial Administration Regulation, 2004. It also ensures that financial transactions and controls are consistent with prevailing financial and accounting policies, rules, regulations, and best practices.

The sub-program operations and major services delivered include: undertaking revenue mobilization activities of the Assembly; keep, render and publish statements on Public Accounts; keep receipts and take custody of all public and trust monies payable into the Assembly's Fund; and facilitates the disbursement of legitimate and authorized funds.

The sub-programme is manned by seven (7) officers comprising of Accountants, Revenue Officers and Commission collectors with funding from GoG transfers and Internally Generated Fund (IGF).

The beneficiaries' of this sub- program are the departments, allied institutions and the general public. This sub-programme in delivering its objectives is confronted by inadequate office space for accounts officers, inadequate data on ratable items and inadequate logistics for revenue mobilization and public sensitization.

SUB-PROGRAMME 1.3 Legislative Oversights

1. Budget Sub-Programme Objective

To ensure full implementation of the political, administrative and fiscal decentralization reforms.

2. Budget Sub-Programme Description

This sub-programme formulates appropriate specific district policies and implement them in the context of national policies. These policies are deliberated upon by its Zonal/Town/Area Councils, Sub-Committees and the Executive Committee. The report of the Executive Committee is eventually considered, approved and passed by the General Assembly into lawful district policies and objectives for the growth and development of the district.

The office of the Honourable Presiding Member spearheads the work of the Legislative Oversight role and ably assisted by the Office of the District Coordinating Director. The main unit of this sub-programme is the Zonal/Area Councils, Office of the Presiding Member and the Office of the District Coordinating Director.

The activities of this sub-programme are financed through the IGF, and DACF funding sources available to the Assembly. The beneficiaries of this sub-programme are the Zonal/Town/Area Councils, local communities and the general public.

Efforts of this sub-programme are however constrained and challenged by the inadequate logistics to the Zonal/Town/Area Councils of the Assembly.

It also takes actions to reduce poverty by providing training in technical and business skills, assisting in the access of low-income people to capital and bank services and assisting the creation of new jobs. The sub-programme again seeks to improve on existing SMEs through financial assistance and managerial skill training as well as helping identify new avenues for jobs, value addition, access to market and adoption of new and improved technologies. The main sub-program operations include;

- Advising on the provision of credit for micro, small-scale and medium scale enterprises.
- Assisting to design, develop and implement a plan of action to meet the needs and expectations of organized groups.
- Assisting in the establishment and management of rural and small-scale industries on commercial basis.
- Promoting the formation of associations, co-operative groups and other organizations which are beneficial to the development of small-scale industries.
- Offering business and trading advisory information services.
- Facilitating the promotion of tourism in the District.

Officers of the Business Advisory Centre and Co-operatives are tasked with the responsibility of managing this sub-programme with funding from GoG transfers and donor support which would inure to the benefit of the unemployed youth, SME's and the general public. The service delivery efforts of the department are constrained and challenged by inadequate office equipment, low interest in technical apprenticeship, transport difficulty and inadequate funding, among others.
