## PART A: STRATEGIC OVERVIEW

## **1. ESTABLISHMENT OF THE DISTRICT**

The Tatale-Sanguli District was carved out of the former Zabzugu-Tatale District with the Legislative Instrument (LI) 2067. It was one of the six (6) Districts created in 2012 in Northern Region and inaugurated as a functional entity on 28<sup>th</sup> June, 2012.

## LOCATION AND SIZE

The District is located in the eastern flank of the Northern Region and covers an area of about 1,166sq kms. It falls between Longitudes 0°57'N and 0° 57'W and Latitudes 9°16N and 9°34 N. The District was carved out of the then Zabzugu Tatale District and shares boundaries with Republic of Togo to the east, Zabzugu District to the west, Nanumba North, Nanumba South and Nkwanta Districts to the South, Saboba and Cheriponi Districts to the North.

## POPULATION STRUCTURE

The District has a population of about 60,039 people (2010 PHC). Projection for 2021 is 61,840 with a growth rate of 3%. This is represented by 30,672(49.5%) Males and 31,168 (50.5%) Females

There are 170 communities in the District.

## 2. VISION

To develop and managed an environment that is capable of providing quality services while ensuring participating governance in the delivery of these services.

## 3. MISSION

The Assembly exists to provide quality socio-economic services as well as maintain law and order through mobilizing physical and financial resources while at the same time empower them through civic engagement programs to demand from duty bearers.

## 4. GOALS

To create an enabling environment for sustainable development of all sectors of the economy leading to poverty reduction with a view of enhancing the standard of living of the people by harnessing all available human and material resources through collaborative efforts.

## 5. CORE FUNCTIONS

The core functions of the District as enumerated in Section 12(1) - (9) of Act 936 are outlined below:

- A District Assembly shall exercise deliberative, legislative and executive functions;
- exercise political and administrative authority in the district;
- promote local economic development; and
- Provide guidance, give direction to and supervise other administrative authorities in the district as may be prescribed by law.
- be responsible for the overall development of the district;
- formulate and execute plans, programmes and strategies for the effective mobilisation of the resources necessary for the overall development of the district;
- sponsor the education of students from the district to fill particular manpower needs of the district especially in the social sectors of education and health, making sure that the sponsorship is fairly and equitably balanced between male and female students;
- be responsible for the development, improvement and management of human settlements and the environment in the district;
- in co-operation with the appropriate national and local security agencies, be responsible for the maintenance of security and public safety in the district;
- ensure ready access to courts in the district for the promotion of justice;
- guide, encourage and support sub-district local structures, public agencies and local communities to perform their functions in the execution of approved development plans;
- A District Assembly shall co-ordinate, integrate and harmonise the execution of programmes and projects under approved development plans for the district and other development programmes promoted or carried out by Ministries, Departments, public corporations and other statutory bodies and non-governmental organizations in the district; and
- The Instrument that establishes a particular District Assembly or any other Instrument, may confer additional functions on the District Assembly.

## 6. DISTRICT ECONOMY

## AGRICULTURE

Agriculture is the mainstay of the Country's economy and the situation is not difference for Tatale-Sanguli District. Agriculture plays a vital role in the Socioeconomic development of the District. The key agricultural sub-sectors include crops, livestock, fisheries, agro forestry and non-traditional commodities. About 93.9% of all households in the District practice one form of agriculture or the other. Out of the total Population 98.8% are into crop farming.

#### MARKET CENTER

There are a lot of marketing centers in the District with the major ones being Tatale, Sangbaa and Nahuyili. Despite the vibrant nature of market activities in these centres especially on their market days, facilities such as sheds, stalls, stores and places of convenience are absent. When these facilities are provided it will not only increase IGF collection but also facilitate movement of goods and services to these centres and beyond.

Commerce in the District largely involves the sale of provisions, fuel, electrical, electronics, clothing, construction materials, vehicle parts, agrochemicals, cosmetics, drugs, utensils, food stuffs and stationary

#### **ROAD NETWORK**

The state of roads in the district is poor. The district does not have a single km of tar road linking the district capital Tatale. The rest of the network is made up of feeder roads which are dusty during the dry season but rendered almost impassable during the rainy season. During the rainy season, however, some communities in the western parts of the district is cut off, and can only be accessed through mother district in the Zabzugu District.

#### **EDUCATION**

Education is seen as a lifelong process, which empowers people for socio-economic development. It is in recognition of this fact that the District places emphasis on education as one of the key issues in its human resource development. Realizing the inadequate supply of educational facilities throughout the District, the District has directly established and indirectly facilitated the establishment of several educational institutions in the district **so** as to provide quality education to the people.

The total literate population of the district is 62,856 and the non-literate stands at 41,498. Out of this 38.6% can speak English only, (1.4%) Ghanaian Language only and (59.1%) English and Ghanaian language. The proportion of the population who can speak English only and are within the age group 11-14 years constituted 53.6 percent, Ghanaian Language only is 1.4 percent whiles English and Ghanaian Language account for 44.5 **percent** of the entire population.

#### HEALTH

The formal health system in the Tatale-Sanguli District has 15 functional facilities and 1 non-functional CHPS facilities. The facilities consist of 1 Hospital, 3 health centers, 1 clinic and 10 CHPS compounds. These facilities complement one another to deliver quality services to the people.

#### WATER AND SANITATION

Tatale-Sanguli District has relatively good potable water coverage, reaching a 77% of the population. However there is a problem of distribution. There are some communities which have excess supply of potable water because World Vision provided boreholes to them. On sanitation, As far as the rural-urban situation is concerned, 30.1% of rural localities have no toilet facilities. In urban localities on the other hand, the proportion is 11.0%, much lower than the situation in rural areas. As a result of improved Sanitation situation in the District, it can boast of 146 out of the total number of Communities having achieved Open Defecation Free (ODF) with 6,675 total number of Households toilets

#### ENERGY

There has been significant increase in electricity coverage in the district. Most of the big towns in the district have been connected to the national grid and that has significantly improved community members engagement in small scale enterprises. The urban/rural variations in the main sources of light indicate lower electricity coverage in rural communities in the district. The proportion of dwelling units in urban localities with electricity as a main source of lighting is 53.7percent compared with 7.6 percent in rural localities.

Over seven in ten (74.6%) dwelling units use kerosene lamp as the main source of light. Only about three percent of dwelling units in urban areas use flashlight as the main source of light, while 7.2 percent do so in rural localities.

## PART B: BUDGET PROGRAMME/SUB-PROGRAMME SUMMARY

## **PROGRAMME 1: MANAGEMENT AND ADMINISTRATION**

#### 1. Budget Programme Objectives

The objectives of this programme are as follows:

- Improve Fiscal Revenue mobilisation and management;
- Enhance public confidence in the justice delivery & administrative systems;
- Improve public expenditure management;
- Creates sound policy framework;
- Promote transparency and accountability;
- Strengthen economic planning and forecasting;
- Ensure effective implementation of decentralisation policy and programs; and
- Develop Adequate Skilled Human Resource Base.

#### 2. Budget Programme Description

The Management and Administration Sub Programme are made up of five (5) Sub Programmes: General Administration, Finance and Revenue Mobilization, Planning, Budget and Coordination, Legislative Oversights, and Human Resource Management. With the combined effort of these sub programmes, the Management and Administration Programme Coordinates all other Sub Programmes in the planning, budgeting, coordinating, and management of financial, human, material, and technical resources needed to discharge their duties and to achieve the District's Goal. It also formulates/enacts and enforces policies/procedures/by – laws in the context of national policies/procedures/laws to maintain peace and order and to facilitate access to justice and equity.

The programme does this through six (6) units: Central Administration; Finance Unit; Budget Unit; Planning Unit; Internal Audit unit and Human Resource Management Unit.

## BUDGET SUB-PROGRAMME SUMMARY

## **PROGRAMME1:** Management and Administration

## SUB-PROGRAMME 1.1 General Administration

#### 1. Budget Sub-Programme Objective

- · To provide administrative support and ensure effective coordination of the activities of the various departments and guasi institutions under the District Assembly; and
- To ensure the effective functioning of all the sub-structures to deepen the decentralization process.

#### 2. Budget Sub-Programme Description

General Administration provides administrative leadership and coordinates the activities of units, departments, and agencies within the District along with other stakeholders that may be within or outside the District. This is realized through ensuring stakeholder participation in the identification, planning, design, implementation, monitoring and evaluation of programmes/projects of the Assembly. Its operations are funded through IGF, DACF, DDF and Donor with GoG being the main source of compensation.

With staff strength of 32 it coordinates: Budget, Planning, Accounts, Registry/Records, Stores, Statistics, and Human Resource Management. The challenges facing the sub programme include; Late release of funds, Inadequate office logistics, inadequate vehicles and office space.

## BUDGET SUB-PROGRAMME SUMMARY

**PROGRAMME1:** Management and Administration

## SUB-PROGRAMME 1.2 Finance and Revenue Mobilization

## 1. Budget Sub-Programme Objective

- To insure sound financial management of the Assembly's resources;
- To ensure timely disbursement of funds and submission of financial reports;
- To improve public expenditure management; and
- To ensure the mobilization of all available revenues for effective service delivery.

## 2. Budget Sub-Programme Description

The Finance and Revenue Mobilization Sub programme leads in the management and use of financial resources to achieve value for money through keeping proper books of accounts, preparation of vouchers, preparation of monthly and annual financial statements, contributing to safeguarding of assets, and advising management on the Public Financial Management Act, Internal Audit Agency Act, Public Procurement Act, and other financial regulations that are approved by government.

The Sub programme is made up of the Accounting and Revenue Collection and Monitoring Units. The funding sources available to the department include IGF, GoG and DACF. It has staff strength of nine (9) with 3 being Controller and Accountant-General Staff. The service delivery effort of the sub programme has been hindered by transportation difficulties for revenue collection.

The beneficiaries' of this sub- programme are the departments, allied institutions and the general public. This sub-programme in delivering its objectives is confronted by inadequate office space for accounts officers, inadequate data on ratable items and inadequate logistics for revenue mobilization and public sensitization.

#### **BUDGET SUB-PROGRAMME SUMMARY**

#### **PROGRAMME1:** Management and Administration

## SUB-PROGRAMME 1.3 Planning, Budgeting and Coordination

#### 1. Budget Sub-Programme Objective

- To facilitate, formulate and co-ordinate the development planning and budget management functions as well as the monitoring and evaluation systems of the Assembly;
- Preparing and reviewing District Medium Term Development Plans, M& E Plans, and Annual Budgets;
- Managing the budget approved by the General Assembly and ensuring that each program/project uses the budget resources allocated in accordance with their mandate;
- Co-ordinate and develop annual action plans, monitor and evaluate programmes and projects;
- Periodic monitoring and evaluation of entire operations and projects of the Assembly to ensure compliance of rules, value for money and enhance performance; and
- Organizing stakeholder meetings, public forum and town hall meeting.

#### 2. Budget Sub-Programme Description

The Planning, Budgeting and Coordination sub programme coordinates and supervises all other sub programmes and stakeholders (Area Councils, NGOs, CSOs, CBOs, and Regional Coordinating Council, Local Government Secretariat, Fund Administrators etc.) in the preparation of annual reports, development of action plans, medium term development plans, and annual and medium term budgets. Development Plans of other sub programmes and interventions/policies/priorities/directives of the other stakeholders are coordinated and consolidated into Composite Action Plan, Composite Budget and Procurement Plan. It plans and promotes development policies to facilitate public service delivery and effective implementation of economic development projects.

This is done through monitoring and reporting on development projects and programmes, liaising with stakeholders to collect inputs necessary to aid in the formulation of public policies and programmes and the preparation of fee fixing resolution, identification of gaps for feedback, assessing the impact of policies and projects to ensure sustainable development, investigation of emerging development opportunities, advising management on the judicious use of resources, cost implications and financial decisions.

## BUDGET SUB-PROGRAMME SUMMARY

## **PROGRAMME1:** Management and Administration

## SUB-PROGRAMME 1.4 Legislative Oversights

#### 1. Budget Sub-Programme Objective

- To ensure full implementation of the political, administrative and fiscal decentralization reforms;
- To perform deliberative and legislative functions in the district; and
- To promote transparency and accountability.

#### 2. Budget Sub-Programme Description

This sub-programme formulates appropriate specific district policies and implement them in the context of national policies. These policies are deliberated upon by its Area Councils, Sub-Committees and the Executive Committee. The report of the Executive Committee is eventually considered, approved and passed by the General Assembly into lawful district policies and objectives for the growth and development of the district.

The office of the Honourable Presiding Member spearheads the work of the Legislative Oversight role and ably assisted by the Office of the District Coordinating Director. The main unit of this sub-programme is the Area Councils, Office of the Presiding Member and the Office of the District Coordinating Director.

The activities of this sub-programme are financed through the IGF, and DACF funding sources available to the Assembly. The beneficiaries of this sub-programme are the Area Councils, local communities and the general public.

Efforts of this sub-programme are however constrained and challenged by the inadequate logistics to the Area Councils of the Assembly.

## **BUDGET SUB-PROGRAMME SUMMARY**

#### **PROGRAMME1: Management and Administration**

## SUB-PROGRAMME 1.5 Human Resource Management

#### 1. Budget Sub-Programme Objective

- To achieve institutional performance goals that are linked to the individual and team performance objectives, as the basis for measuring performance results and merit;
- To improve human capital development and Management;
- To provide Human Resource Planning and Development of the Assembly;
- To evaluate performance management of the staff of the Assembly; and
- To develop capacity of staff to deliver quality services.

#### 2. Budget Sub-Programme Description

The Human Resource Management seeks to improve the departments, division and unit's decision making and build capacity of the manpower which will ultimately improve the workforce and organizational effectiveness. In carrying out this subprogramme it is expected that productivity would be enhanced at the Assembly as well as decision making in the management of Human Resource.

Major services and operations delivered by the sub-programme include human resource auditing, performance management, service delivery improvement, upgrading and promotion of staff. It also includes Human Resource Management Information System which ensures frequent update of staff records through electronic means, guaranteeing efficient and good salary administration, facilitation of recruitment and selection as well as postings of competent staff to fill available vacancies at the district.

Under this, only one (1) staff will carry out the implementation of the sub-programme with main funding from GoG transfer and Internally Generated Fund. The work of the human resource management is challenged with inadequate staffing levels, inadequate office space and logistics. The sub-programme would be beneficial to staff of the Departments of the Assembly, Local Government Service Secretariat and the general public.

## **PROGRAMME 2: INFRASTRUCTURE DELIVERY AND MANAGEMENT**

## SUB-PROGRAMME 2.1 Physical and Spatial Planning

#### 1. Budget Sub-Programme Objective

- To plan, manage and promote harmonious, sustainable and cost effective development of human settlements in accordance with sound environmental and planning principles; and
- Facilitate sustainable and resilient infrastructure development.

#### The physical planning is responsible for:

- Planning and management of human settlements; provision of planning services to public authorities and private developers;
- Development of layouts plans (planning schemes) to guide orderly development;
- Collaboration with survey department, prepare acquisition plans when stool land is being acquired;
- Responsible for physical/spatial planning of customary land in conjunction with the stool/skin; and
- Responsible for development control through granting of permit.

#### 2. Budget Sub-Programme Description

The sub-programme seeks to co-ordinate activities and projects of departments and other agencies including non-governmental organizations to ensure compliance with planning standards. It also focuses on the landscaping and beautification of the district capital. The Physical and Spatial Planning sub-programme is delivered through the Department of Physical Planning and tasked to manage the activities of the former department of Town and Country Planning and the department of Parks and Gardens in the District.

Major services delivered by the sub-programme include;

- Assist in the preparation of physical plans as a guide for the formulation of development policies and decisions and to design projects in the District;
- Advise on setting out approved plans for future development of land at the district level;
- Assist to provide the layout for buildings for improved housing layout and settlement;

- Advise the Assembly on the siting of bill boards, masts and ensure compliance with the decisions of the Assembly; and
- Undertake street naming, numbering of house and related issues.

This sub programme is funded from the Central Government transfers which go to the benefit of the entire citizenry in the District. The sub-programme is manned by the officers from the mother district and are faced with the operational challenges which include inadequate staffing levels, inadequate office space, untimely releases of funds, indiscriminate development without regards to the planning schemes and regulation, encroachment on the public lands and properties, weak enforcement of development control, and inadequate funds and equipment for the smooth running of the sub-programme.

## BUDGET SUB-PROGRAMME SUMMARY

## **PROGRAMME 2: INFRASTRUCTURE DELIVERY AND MANAGEMEN**

#### SUB-PROGRAMME 2.2 Infrastructure Development

#### 1. Budget Sub-Programme Objective

- To implement development programmes to enhance rural transport through improved feeder and farm to market road network;
- To improve service delivery to ensure quality of life in rural areas;
- To develop, quality, reliable, sustainable and resilient infrastructure;
- To improve transport and road safety; and
- To accelerate the provision of affordable and safe water.

#### 2. Budget Sub-Programme Description

This programme advises on all engineering matters, plans, designs and implements projects, and oversees the implementation of all engineering works in the District. This is done through participation in the preparation of the District's annual budget; coordinating procurement and contract administration; monitoring, supervision and evaluation of projects and programmes; carrying out field visits to inspect equipment, plant and projects in the District and preparing reports on them; and facilitating the repairs and maintenance of equipment, vehicles and infrastructural activities. These services are rendered to the Assembly, Areal Councils, Communities, and institutions (Public and Private).

The department has Four (4) staff in three main units: the Works Unit, Water and Sanitation and Feeder Roads.

Inadequate and untimely release of funds however hinders its service delivery. Lack of official vehicle for the department also affects the units to undertake effective monitoring of the projects. Funding for this programme is mainly GOG, DDF, DACF and IGF.

Key challenges of the department include delay in release of funds, limited capacity (water and sanitation engineers, hydro geologists) to effectively deliver water and sanitation project, inadequate personnel and logistics for monitoring of operation and maintenance of existing systems and other infrastructure. The late release of funds leads to wrong timing of operations and projects thereby affecting implementation of projects and operations.
