PART A: STRATEGIC OVERVIEW OF THE ASSEMBLY

1. ESTABLISHMENT OF THE DISTRICT

The Ablekuma West Municipal Assembly is one of the Thirty-Eight newly created Metropolitan, Municipal and District Assemblies (MMDAs) in Ghana and among the twenty-nine (29) MMDAs in the Greater Accra Region. It was carved out from Accra Metropolitan Assembly in 2017. The Assembly was established by Legislative Instrument (2017) L.I.2309 with the capital located at Dansoman. The Municipal Assembly has two (2) Zonal Councils (Dansoman South and Dansoman North Zonal Councils) which operates below the Assembly structure.

The General Assembly has a membership of Eighteen (18) comprising Ten (10) Elected Members, Six (6) Government Appointees and One (1) Member of Parliament (Ablekuma West Constituency) and the Hon. Municipal Chief Executive.

The Municipal Chief Executive Hon. George Cyril Bray was appointed by the President and endorsed by the General Assembly, making him the political and administrative head of the entire Municipality while the Municipal Coordinating Director is the secretary to the Assembly.

Population Structure

The population of the Municipality according to 2010 PHC is 64,495. The projected population for 2021 using a growth rate of 3.5% is 222,907 comprising 51.94% and 48.06% female, male ratio. The population ratio calls for the need to develop gender sensitive programmes for women within the municipality for socioeconomic development.

3. MISSION

To provide a safe environment for the people within the Municipality and promote friendly relationship between the Assembly and stakeholders'

4. GOALS

 approval of the development plan to the NDPC and budget to the Minister of
 Finance for the district.

6. MUNICIPAL ECONOMY

Industry, Commence and Agriculture are the three major drivers of the economy in the Municipality which have seen a significant growth particularly in the service and agriculture sector. The Municipality is fortunate to have some companies, factories, financial institutions, Estate developers and other small scale businesses. These institutions contribute a lot to the Assembly's Internally Generated Funds as well as provide employment for most of the inhabitants. Fishing and trading are other economic activities within the Municipality since its location is within the coastal area which shares boundary with the Gulf of Guinea.

The Assembly performed quite well in the under listed revenue items; Rate (Property) and Licenses. It also relies on external sources of funds like District Assembly Common Fund (DACF), MAG and other Government of Ghana (GOG) transfers for its developmental projects. The Municipality is faced with challenges due to unemployment and its associated vices. Access to credit facility is also a challenge to a lot of Small Scale Enterprises.

Agriculture

The main agricultural activities within the Municipality include fish farming, livestock rearing, back yard farming, agro processing etc. The Municipal Assembly provides technical support to the farmers in the form of extension services, home and market visits.

Road Network

The Municipality has four major roads which are the General Acheampong High Street formerly known as Dansoman High Street, the 2nd Guggisberg extension road, Dansoman Road and Gbegbe road. The Municipality also has both minor and collector roads too. Both roads link the Municipality to other part of the region.

These roads are currently having surface conditions except Gen. Acheampong High Street and are also not wide enough to accommodate the large volumes of vehicular traffics. Traffic congestion is therefore experienced most hours of the day on these roads.

Education

The Municipality is aimed at increasing inclusive and equitable access to and participation in education at all levels, improving quality of teaching and learning, improvement in educational infrastructure service among others. The Assembly is also encouraging the implementation of Science, Technology, Mathematics and Innovation Education (STME). The Municipal has 2 Circuits, 14 public basic schools, 150 private basic schools.

Total Enrolment at the public basic schools is 10,409 which is made up of 4,832 boys and 5,577 girls whilst the private basic school has 35,067 made up of 17,451 boys and 17,616 girls.

There are 2 Public Senior High Schools and 3 Private Senior High Schools, 1 TVET School.

Health

The Municipality has a number of public health facilities which serves the inhabitants and its environs. Notable among them is the Dansoman Polyclinic which render numerous services to the Citizenry. Other private hospitals such as The Trust Clinic, Royal MMR Clinic, Dr. Bechem Hospital, etc. are also located within the Municipality to augment the services rendered by these public health facilities. Rheumatism/Other Joint Pains /Arthritis has been the number one disease, accounting for about 17.67 percent of all the Out-Patient Department (OPD) cases and is followed by Hypertension, Acute Urinary Tract Infections, Typhoid Fever, Upper Respiratory Tract Infections, Anemia, Diarrhea Diseases, Uncomplicated Malaria Tested Positive, Skin Diseases and Ulcer in that order.

Environment

The mandate of the Assembly is to provide services to residents. Key amongst these services is good sanitation and waste management. This will be done through sensitization and education for the public on environmental cleanliness. In addition, monitoring of environmental standards, inspection and enforcement of the sanitation bye-laws of the Assembly will also be in force, implementing the GAMA-SWP, Construction and Rehabilitation of Sewerages and the Institution of Sanitation day on First Saturday in every month.
