		<p>Completion of the on-going housing and other infrastructure projects for the GAF to reduce office and housing deficit</p>	<p>During the period under review, the Ministry carried out a series of housing and infrastructure projects in an effort to make the Ghana Armed Forces (GAF) a top-tier security organisation with cutting-edge facilities, thereby addressing shortfalls in military housing and, more importantly, ensuring that all troops are stationed within the barracks and within easy access of the High Command for prompt deployment in the event of a terrorist attack. Many of these initiatives are now making steady progress towards achieving the Ministry's objective of preserving a safe, stable, and cohesive nation;</p> <p>In order to accommodate the various units under the command and improve coordination by the headquarters, the Government, through the Ministry, commenced the building of the Army Headquarters on 29<sup>th</sup> October 2019, in response to the shifting dynamics of internal and external operations as well as advancements in military technology and materials. The project is currently moving along at a steady pace, with 70% of the work completed as of 31<sup>st</sup> December, 2024.</p> <p>In 2019, the Commander-in-Chief Sports Centre project at 6 Garrison, Tamale got underway, fulfilling the Presidents pledge to build multipurpose stadia for the Ghana Armed Forces in every garrison. This is intended to foster good health, the overall wellbeing, and morale of GAF personnel. The project comprises a 5,000-seater stadium, a standard size football pitch and running tracks grassed with a subsoil drainage system, spectator stands (VIP stand), a hockey pitch, tartan tracks around the field, a standard sized lawn tennis court, a combined volleyball and basketball court, a multi-purpose hall (Gymnasium) for indoor games and other offices. The project is 61% complete and moving forward smoothly as at 31<sup>st</sup> December, 2024.</p>

			<p>In 2021, the Ministry began building eighty (80) half compound residences for GAF personnel in an effort to alleviate the housing deficit. As at 31<sup>st</sup> December, 2024, 100% of work had been completed.</p> <p>Following the explosion incident and fire outbreak that occurred in January, 2019 at the Base Ammunition Depot (BAD) at Michel Camp, Tema, the Ministry initiated the construction of a new and world class Base Ammunition Depot and the Base Ordnance Depot to secure GAF’s ammunition storage, safeguard civilians and property and significantly improve GAF’s operational activities. Accordingly, the construction of the new ammunition warehouses commenced in 2020 at Burma Camp and Michel Camp. The project is currently proceeding at a steady pace, with 85% of the work completed as of 31<sup>st</sup> December, 2024. This all-important project will help with the enhancement of security service delivery and public safety.</p>
		Re-Equipping the Military	<p>The construction of a Forward Operating Base (FOB) near the country's western border at Ezinlibo was started by the Ministry in 2019. This is part of the National Strategic Programme to safeguard the nation's natural resources, including its oil and gas. The project's scope includes; a 1.2 - kilometre breakwater, a jetty, construction of 10 Units of accommodation for 200 troops, construction of a dual carriage road and the procurement of equipment (ships, boats, guns, vehicles and many other facilities) for the Ghana Navy. The FOB Project as at 31<sup>st</sup> December, 2024 is 76% complete and progressing steadily, while the Northern Border is 36% complete. By deploying a variety of equipment at the Base, the Navy intends to improve security in the surrounding area by significantly reducing the Navy's response time to attacks on the oil fields and discouraging criminals and other undesirable elements and improving overall security.</p>
